Intended to be flown above the flags of individual nations, the One World Flag calls us to focus on the larger picture—that we have more in common as a world, than we have differences between nations.

Within this context, we may then place the utmost value on the unique qualities of each individual and group.

For heartfelt communication between people of all nations, without the barriers of language;  
For solutions that encompass everyone;

The time is now...  
for tearing down the walls,  
opening our hearts,  
and to...
